Get Your Free Guardianship Checklist

I've handled many **guardianship** cases for adult disabled children and I know what it takes to be successful. Getting a head start on the process can be crucial for your peace of mind, so I've created this checklist so you can see what's involved:

Are You Ready for the Next Phase of Your Child's Life?

Caring for your disabled minor child is second nature to you at this point. Now that your child is 18, you need to move to the next phase, which will require jumping through some legal hoops.

I would be happy to help you with the details. Make an appointment with me today to talk through what needs to be done to guarantee a happy transition for your family.
